Consumer Input

CONFERENCE '13

NATIONAL COUNCIL
FOR BEHAVIORAL HEALTH

APRIL 8-10, 2013 | LAS VEGAS

Goal to determine if consumers understood the consent form

Finding

Importance of explaining form for release of behavioral health records and 42 CFR Part 2 only

Background explaining source and development of the consent form gives it credibility

Importance of explaining use of health information for treatment

Consumer Input

CONFERENCE '13

NATIONAL COUNCIL
FOR BEHAVIORAL HEALTH

APRIL 8-10, 2013 | LAS VEGAS

Goal to determine if consumers agreed form needed staff assistance for completion

Finding

The patient needed assistance from medical office staff, advocate, or mental health mentor to complete the form

KHIE
KENTUCKY HEALTH
INFORMATION EXCHANGE
BEHAVIORAL HEALTH

Integrated Primary Care and
Behavioral Health Supported by KHIE

Welcome

Welcome to the Integrated Primary Care and Behavioral Health Supported by the Kentucky Health Information Exchange modules. These modules present information about primary care and behavioral health integration from both the national healthcare perspective and from the viewpoint of Kentucky practitioners and behavioral health advocates. Additionally, there is information about the role the Kentucky Health Information Exchange performs in supporting integration, developing a consent form for the release of a patient's behavioral health records and in exchanging these records by use of the exchange. Finally, the modules include examples and use cases of primary care behavioral health integration by Kentucky healthcare providers and training for healthcare providers in the use of the behavioral health consent form. This project was funded by the SAMHSA/HRSA Center for Integrated Solutions (CHIS) and administrated by the National Council for Behavioral Healthcare.

Viewing the Presentations

The video and associated slide decks were captured and produced into 5 continuing education modules and are offered free of charge. To view a presentation, click on the title of the presentation below. To see an overview of all of the presentations, click "View Webcasts" on the left navigation bar. To learn more about the faculty, click the "Faculty Information" link.

Continuing Education Credits
